

### Upcoming Tests

### Previous Tests

The student dashboard which displays the upcoming tests and the tests that have already been completed. The student should be able to scroll on each of the lists to view the rest of the tests that do not appear immediately on the screen. At the top of the page lies the navigation bar which can be used to navigate to the rest of the pages of the platform, and to logout of the account. Also, the logo will be a clickable button which allows the user to return to the dashboard.
