The wireframe illustrates a streamlined testing interface featuring essential elements such as the test name, subject name, current question number (e.g., 3/10), and total number of questions. It includes a clear question display area and four multiple-choice answer buttons, all framed within a top navigation bar offering access to Results, Leaderboard, Test, and Logout. The layout supports a scoring system of +30 points for correct answers and -10 for incorrect ones, aligning with the client's functional requirements.
